SUPERINTENDENT'S MESSAGE

This has been one of my most pleasant years, because I have had the opportunity of working with many students. In some schools, students are not interested in promoting a feeling of unity and school spirit, but in Hanover, students display a fine spirit of co-operation.

The Student Council and other student organizations have worked hard to create better understanding between the faculty and students and to develop school pride.

I would like to congratulate the student body for maintaining a high standard of conduct and citizenship, and wish each of you success and happiness in the years ahead.

DEDICATION

We wish to dedicate our 1967 Revonah to a teacher who serves both grades and high school. She gives many hours of her time during and after school both for school and community activities. Our contestants at music contests have brought home many awards due to her untiring efforts.

It is with pleasure that we dedicate this Revonah to Mrs. Olive Speer.
